ORDER:

In the G.O 1st read above, Government created Department of Information Technology & Communication Department as an Officer oriented Department with Secretary to Government as the head of the Department. In the G.O 2nd read above, Government have accorded sanction for the revised organization structure of the IT, E&C Dept, duly organized into (6) wings viz., Policy Formulation and Planning Wing, e-Governance Wing, IT Promotion Wing, Infrastructure Wing, HRD Wing and Administration Wing. The revised organization structure of the Department consisted of 33 posts in all.

2. Due to bifurcation of the State of Andhra Pradesh into State of Andhra Pradesh and State of Telangana from the appointed day - 2nd June 2014, the posts in the IT, E&C Department have been bifurcated amongst the (2) States. The posts permitted in the G.O.Ms.No.5 IT,E&C Dept dated.16-02-2013 have also been bifurcated amongst the two States. Though the minimal staff existing in united AP has been allocated amongst the two States, the Projects/Schemes which were continued in united AP are being continued in the new State of Andhra Pradesh also. Apart from the existing schemes/ projects, many new projects are also being taken up in the new State of AP, due to which the volume of work in the Department has increased many-fold.

3. The method of filling up of most of the sanctioned posts in the ITE&C Dept., is “from open market”. The sanctioned posts in ITE&C Department were created through G.O.Ms. No 12 Dt 11.9.2000 about 15 years back, when there were not many personnel in Government departments with Qualification / Core Expertise/ Experience in IT field. The method of filling of the said posts in ITE&C Dept., was “from open market” as there were no enough technocrats in Government Departments suitable to the requirement of IT,E&C Department.

4. In the present times, there is ample scope to get technical personnel from within the Government, who have rich IT expertise/experience along with domain knowledge. Hence it would be more beneficial to the Department to take such personnel on deputation, as they would have a better perspective of e-Governance Projects and would be less financial burden on exchequer.

5. Therefore, Government after careful examination here by modifies the method of filling of various posts in ITE&C Department as mentioned at column No.(5) here under:

Sl.No	Name of the Post	No.of posts	Method of filling at present	Modified Method of filling
(1)	(2)	(3)	(4)	(5)
1.	Director (Technical)	1	Open market	By Deputation/Open market
2.	Jt. Director (Infra)	1	Open market	By Deputation/Open market
3.	Jt.Director (Promotion)	1	Open market	By Deputation/Open market
4.	Asst.Director (HRD)	1	Open market	By Deputation/Open market
